Tallyn

It all adds up.

Brand and design system v1.0 · Sage & Clay

01 BRAND

Your money, your family, everything adds up.

Tallyn is a family finance app. Connect bank accounts in any currency, track spending and savings together, and open joint accounts for the people you love. The name joins **tally** (counting) and **kin** (family).

Personality

Warm · Trustworthy · Modern · Family-friendly · Smart · Simple · Premium but approachable.

Tagline

It all adds up.

Use sparingly, in lockups, splash screens and closing sections.

The mark

A person and a sprout in one shape: a dot above two leaves. Sage and clay are the two halves of a family; the dot is the person at the centre.

02 LOGO

Logo system

The wordmark is set in Jedira, supplied as outlines only. Never retype it. The tagline is Montserrat Medium.
